Question 156 - 165

Read the following passage and choose the correct word A, B, C or D for each space.

Designs from Nature

Animals and plants can (156)…….. humans a lot about design and engineering. As a result, many designers, scientists and engineers spend time (157) ……. them. When they have a problem, nature often has the answer. This (158) …… is called *biomimetics*. *Bio*-means 'studying living things' and *mimetics* means 'copying the movement of things'. In other words, scientists – or *biomimeticists* – study animals and plants in order to copy the design.

Take, for example, a whale. Engineers in Canada are studying their flippers because they move so (159)…….. through water. The engineers believe the shape can also improve the movement of wind turbines. Similarly, the boxfish is (160) …… animal from the sea which is helping car manufacturers in Germany. Mercedes Benz is using the shape of the fish for one of (161) …….. new cars. The shape makes it (162) ……and more fuel efficient.

Velcro is probably the most famous (163) ……. of biomimetics. Most people have some Velcro on an item of clothing. It was invented by the Swiss engineer George de Mestral in 1948. He was walking (164) ……. the countryside when he pulled a plant's bur from his trousers. He noticed how the bur stuck so well to his clothes. He worked on his idea and the (165) …… was Velcro, which became an affordable alternative to the traditional zip.

Question 156

A. teach	B. invent	C. learn	D. copy

Question 157

A. studying	B. study	C. studied	D. to study

Question 158

A. science	B. idea	C. invention	D. technology

Question 159

A. efficiently	B. efficient	C. inefficient	D. inefficiently

Question 160

A. another	B. other	C. others	D. else

Question 161

A. its	B. their	C. they	D. it

Question 162

A. faster	B. fastest	C. slower	D. slowest

Question 163

Downloaded by Qu?nh H?u Tr (trquynhhau@gmail.com)

A. example B. part C. pattern D. object

Question 164

A. in B. on C. to D. over

Question 165

A. result B. thing C. example D. decision

Unit 9

Questions 271-280

Read the following passage and use the information provided in the passage to decide which word or phrase A, B, C or D to fill in each gap

Holiday Horror Stories

It had looked great in the brochure. It's true that there hadn't been pictures of the cottage, but there (271) _____ photographs of the sea, empty beaches next to the cottage for the children, and nice long walks on the (272) _____ forest with the dog.

We arrived late at night after a six-hour drive. The address on the booking form said 'Green Tree Cottage' on the Old Farm Road. The cottage wasn't very clean. In fact it was full (273) _____ furniture, books, pictures and objects in boxes. It was (274) _____ someone else lived here.

Anyway, it was late and we went to bed. In the morning, my daughter said there were clothes in her wardrobe. We emptied the wardrobe and (275) _____ the clothes in a box.

Later that day we had been to the beach and when we got back the clothes were (276) _____ in the wardrobe. We wanted to leave but my husband thought there was a simple explanation.

In the evening, as it got (277) _____, I noticed a light at the end of the field. We walked across with the dog and we saw a small shed (278) _____ the trees. We knocked on the door and a man (279) _____. He was the owner of the holiday cottage and lived in his shed when visitors stayed. He also asked us not (280) _____ his clothes because he needed to use the house from time to time. The next day, we loaded the car and left.

Question 271

A. were B. weren't C. are D. hadn't been

Question 272

A. nearby B. available C. faraway D. possible

Question 273

A. in B. on C. away D. of

Question 274

A. such B. like C. since D. by

Question 275

A. get B. pull C. put D. take

Question 276

A. back B. redone C. repeated D. behind

Question 277

Downloaded by Qu?nh H?u Tr (trquynhhau@gmail.com)

A. darker	B. brighter	C. cleaner	D. dimmer

Question 278

A. in	B. among	C. away	D. from

Question 279

A. appeared	B. attended	C. came	D. arrived

Question 280

A. move	B. moving	C. moved	D. to move

10

Questions 321 - 330

Read the following passage and choose the correct word A, B, C or D for each space.

Reinhold Messner has been described (321) ……"the greatest mountaineer in history". He's famous for (322)……the first man to climb Mount Everest without oxygen in 1980. But he was also the first man to (323)……all fourteen of the world's mountains over eight thousand feet.

Messner was born in 1944 in a small village in the mountains of northern Italy. When he talks (324)……the area he still says, "it's the most beautiful place in the world." His father was a climber and (325)……his son up a mountain when he was only five. As a teenager Messner climbed with his younger brother Gunther.

In (326)……twenties, the two brothers started climbing in the Himalayas but Gunther died (327)……an accident and Reinhold lost sixes toes. (328)……, Messner continued climbing and he became a legend among other mountaineers. The climber Hans Kammerlander believes Reinhold changed climbing. "Reinhold had so many new (329) ……," says Kammerlander. "He found new ways, new techniques."

Nowadays Messner spends more time at home with his family and he has written over sixty books. In 2006 he opened the Messner Mountain Museum where people can (330) ……more about the world he loves.

Question 321

A. as	B. is	C. and	D. are

Question 322

A. being	B. be	C. been	D. to be

Question 323

A. climb	B. see	C. go	D. visit

Question 324

A. about	B. on	C. to	D. in

Question 325

A. took B. brought C. got D. gave

Question 326

A. their B. the C. they D. __

Question 327

A. in B. of C. from D. off

Question 328

A. Nevertheless B. Therefore C. Although D. Because

Question 329

A. ideas B. forms C. concepts D. views

Question 330

A. find out B. look for C. tell D. identify

11

Question 376- 385

Read the following passage and circle the correct word A,B,C or D for each space.

THE POWER OF NATURE

It's early evening and Rex Geyer and his family are eating (376) …… On the TV, the weather man is telling everyone to look (377)……..for tornadoes. If a tornado hit Rex's house, it would (378)…….it. Suddenly, Rex's brother rushes through the front door. "Tornado! We have to go now!" he (379)…….. The whole family run to the car. They leave (380)……..except for a mobile phone. As they drive away to safety, two cars go past in the opposite direction- straight towards the tornado.

If anyone else drove in that direction, they'd be (381)…….But the people in the cars are Tim Samaras and Pat Porter who follow and study tornadoes. This year they (382) …….trying to put a "probe" into the middle of a tornado. So far they haven't been (383) …… If the tornado passed over the probe, it would record a lot of useful scientific data so they are keen (384)……. to try. Maybe they (385) …..be lucky this time.

Question 376

A. dinner B. breakfast C. lunch D. meal

Question 377

A. out B. at C. for D. after

Question 378

Downloaded by Qu?nh H?u Tr (trquynhhau@gmail.com)

A. destroy B. protect C. build D. install

Question 379

A. shouts B. talks C. tells D. speaks

Question 380

A. everything B. nothing C. anything D. everyone

Question 381

A. mad B. happy C. funny D. satisfied

Question 382

A. are B. were C. was D. is

Question 383

A. successful B. successfully C. success D. succeed

Question 384

A. on B. off C. with D. in

Question 385

A. will B. may C. might D. must

Unit 12

READING

Read the following passage and circle the correct word A, B, C or D for each space.

Alpacas

Alpacas were first kept by the Inca people in the mountains of South America, more than six thousand years ago. These animals (1)_provided_____clothes, food and fuel for owners. The softest wool was mainly worn (2)_by_____ the leaders of Incan society though.

When Spanish explorers arrived in the fifteenth century, sheep were (3)_____ and these gradually replaced alpacas in the region. It wasn't (4) _____the middle of the 20th century that both famers and fashion designers began to recognize the (5) _____of alpacas again. They are easy to look (6) _____since they eat grass and

Dit document is beschikbaar op studeersnel
Downloaded by Qu?nh H?u Tr (trquynhhau@gmail.com)

are used to low temperatures. Their wool, which comes in a (7) _____of natural colours from white to dark brown, is lighter and warmer than sheep's wool and (8) _____strong.

It is not surprising, therefore, that alpacas are (9) _____ a familiar sight in the fields (10) _____North America, Australia and the UK.

1. **A**. provided	B. supported	C. turned	C. gained
